ART DELIVERY

Properly formatted video files ready for airing must be supplied to your PATTISON ONESTOP representative at least five days prior to your start date. If creative work must be done, materials must be supplied at least two weeks prior to the start date. Upload your files to:

clientupload.pattisonoutdoor.com or click on the CLIENT UPLOAD link at pattisonoutdoor.com

- 1: Follow the steps on the Client Upload page to submit your file(s).
- 2: Once you have completed the file upload you will be asked to complete an email notification.
 - ⚠ You must notify your PATTISON ONESTOP Account Executive or designated PATTISON ONESTOP contact of your upload. Include the job name, client or design name as the subject.
- 3: Once your upload and email notification is submitted successfully, you will receive an email confirmation.

Alternatively, you can send artwork to your PATTISON ONESTOP representative on a CD or DVD.

We strive to produce and post quality material, but cannot be held responsible for supplied images that are of poor quality or for artwork that is supplied with errors. We would be pleased to assist you in preparing artwork if you require such assistance. Our digital screens are of high quality and are supported by state-of-the-art software, however some colour variance in images may occur between printed or on-screen proofs and final output due to differences in devices and operating environments.
